Are you an H-ISAC Navigator Candidate?

- If you are an engaged innovative Cyber Security solution provider to the Healthcare/Public Health (HPH) sub-sector…H-ISAC's Navigator program will be of interest.

- By default you are an integral player in the global war against Cyber Security threats in the Healthcare sector, by virtue of providing services to H-ISAC members.

- H-ISAC members can always find a contractor to perform needed tasks. They don't need more.

- What they desire is a vendor who will partner with them and invest in them as they also support their peers within the H-ISAC community.

- The goal is to increase the resiliency in this sensitive sector and to maintain the continuity of healthcare in todays world of threatening Dark Web actors.

Navigator - Program Benefits (part 1)

1. Webinars: H-ISAC will promote 2 Navigator webinars/yearly to all members via internal confidential ListServ distribution, website posting (Events tab) and newsletter.

2. Member Education: Navigators may submit relevant white papers or insightful abstracts to members for distribution.
(Subject to H-ISAC Education Committee approval)

3. New Member Referral: Navigators are incentivized to help H-ISAC recruit new members. Compensation will be a discount on an upcoming Navigator renewal fee.
(Value $2,500)

Navigator - Program Benefits (Part 2)

4. <u>Navigator Promotion</u>: Navigator recognition will be prominent at Summit exhibits and print materials.

5. <u>Priority Booth Selection</u>: at 2 consecutive H-ISAC Summits

6. <u>Free Pass</u>: 1 additional free attendee pass at (2) summits during the membership term.

(Value of $10,000) With the purchase of a sponsorship.

7. <u>H-ISAC TechOps Alerts</u>: Navigators will receive National Sector TLP: White/Green level.

8. <u>H-ISAC Newsletter</u>: Navigators will receive same member newsletter as H-ISAC members to increase awareness of upcoming events and policies.
