

Ohana Villages

We're all in this together
MAY 3-5, 2022 • ORLANDO, FL

H-ISAC's Global Summits bring together stakeholders in the healthcare security community to share, network and learn. The Summits provide an opportunity for healthcare professionals to share best practices, lessons learned and new ideas & solutions with their peers. Attendees can expect abundant opportunities to meet and build relationships with colleagues in the sector. Attendees leave Summits ready to implement and incorporate new information at their organizations. H-ISAC Global Summits expand healthcare organizations' security operations teams extensively beyond their four walls and staff.
