## HEALTH-ISAC Working Group

## Health-ISAC Exercise

### Provider Special Interest Working Group

New Co-Chairs are calling for Member participation.

Providers are under constant information security attack.

This group will develop innovative ways to improve cybersecurity while not impeding patient care with the intent to reduce risk to provider organizations that must manage information security attacks from any source.

If you are interested in joining this working group, please reach out to [contact@h-isac.org](mailto:contact@h-isac.org).
