

Health-ISAC™

Collaborating for Resilience in Healthcare

Health-ISAC Monthly Newsletter - TLP White

May 2024

Participate in the Annual Member Survey

Health-ISAC relies on Member input to continually improve!

We value

your

feedback!

The 2024 Annual Member Satisfaction Survey will be open from May 10th - May 31st.

There are two ways to participate:

1. Respond to the Survey Monkey link in the May 1st email from Health-ISAC.
2. Complete the Survey in person at the Spring Americas Summit

Your feedback helps Health-ISAC understand how we are serving the needs of Members and the industry and how we can ensure ongoing value in the future. The survey takes about 9 minutes to complete, and individual responses are completely confidential and will not be shared with outside partners or agencies.

4 completed surveys will be randomly selected to receive either a Vive Speaker Tumbler or an Illuminated Power Bank from the Health-ISAC Company Store.

CHAMPIONS OF SECURITY

2024 Health-ISAC Spring Americas Summit

May 20-24, 2024
ChampionsGate, Orlando, FL

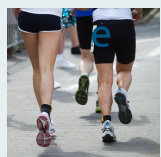

Health-ISAC's Spring Americas Summit is an exclusive event for stakeholders in the health sector to hear the latest best practices, learn about current threats, and gain from lessons learned.

- Monday** - Pre-register for workshops (in Summit registration)
- Tuesday** - Working Groups, Member Meeting Lunch, Round Table discussions
- Wednesday** - Keynote, sessions, and special networking dinner at [Gatorland](#)
- Thursday** - Routhy Award presentation, sessions, FDA Townhall, networking dinner

[View the Full Agenda](#) [Register Here](#)

Keynote - Vice President of Strategy at Intermountain Healthcare, Keynote David Dirks' presentation, "The Wind, The Waves, and The Wheel," will review the primary forces driving the healthcare upheaval (the wind), how people, payers, providers, and policymakers are responding to those pressures (the waves), and how the healthcare industry will need to respond to meet the challenge (the wheel).

Amazing Race Special Event - Champions, Take Your Mark! Thursday evening's on-site dinner and special event will engage willing participants to compete - and cooperate - while navigating A fun obstacle course.

Health-ISAC is pleased to publish a monthly newsletter designed to bring events and other important ISAC news to your attention. If there is something you would like to see included, please email: contact@h-isac.org

HANDS-ON TECHNICAL SKILL-BUILDING -- Errol Weiss, Chief Security Officer

Health-ISAC's Threat Operations Center, strategically located in Orlando, Florida, sits almost at the doorsteps of the University of Central Florida (UCF) and has been an impetus for creating a thriving internship program.

UCF seniors Gabriel Saavedra and Taylor Porter joined Health-ISAC for the Spring 2024 internship program and honed their skills through hands-on experience in threat analysis and intelligence. Beyond daily operations, they are the principal authors of a strategic report on the "Current State of Supply Chain Risk Management." The report, to be unveiled at the Spring Americas Summit, delves into vulnerabilities within complex supply chains, including the recent MOVEit incident. Along with case studies, it provides a set of questions CISOs can use to reduce risk.

Health-ISAC applauds Gabriel and Taylor's accomplishments, showcasing the success of Health-ISAC's internship program. Stay tuned for their white paper release! (P.S. Hiring organizations, keep an eye out for these talented graduates!)

EUROPEAN SUMMIT

CLASSIC SECURITY

2024 European Summit

October 15-17, 2024 | Athens, Greece

Call for Papers Closes June 14

Registration Opens July 15

COMMUNITY CORNER

Managed Detection & Response, Quadrant offers a fully managed SOC and a team of professional service specialists with deep experience in the healthcare vertical.
